McCracken		*Ring Pink	Endangered	Ohio River Main Channel	
McCreary	Fish	Blackside Dace	Threatened	First, Second and Third Order Streams within the Following Watersheds:	
McCreary				Rock Creek	
McCreary				Jellico Creek	

*Denotes older record, species may be extirpated but surveys can be inconclusive.

County Species List For Kentucky

Below are federally listed Threatened and Endangered Species, Species Proposed for Federal Listing (Proposed), Federal Candidate Species, USFWS Species of Management Concern (SMC), and species covered by a State Conservation Agreement (SCA) or Bald and Golden Eagle Act (BGEA) for Kentucky. Critical habitat designations are also identified for effected species. Species are listed by county. NRCS personnel and partners shall use this list during the planning process to evaluate potential effects to these species and ensure Endangered Species Act (ESA) and National Environmental Policy Act (NEPA) compliance.

COUNTY	SPECIES TYPE	SPECIES	FEDERAL Status	Aquatic Species Watershed/Stream Order	USFWS Fact Sheet Available
McCreary	Fish	Blackside Dace	Threatened	First, Second and Third Order Streams within the Following Watersheds:	
McCreary				Indian Creek	
McCreary				Eagle Creek	
McCreary				Mill Creek	
McCreary				Fish Trap Branch	
McCreary				Beaver Creek	
McCreary				Riggs Creek	
McCreary				Marsh Creek	
McCreary		Duskytail Darter	Endangered	Big South Fork Main Channel	
McCreary		Palezone Shiner	Endangered	Little S. F. Cumberland River	
McCreary		Cumberland Darter	Proposed	First, Second, Third and Forth Order Tributaries with the Following Watersheds:	
McCreary				Barren Fork	
McCreary				Laurel Creek	
McCreary				Cal Creek	
McCreary				Elisha Creek	
McCreary				Jenneys Branch	
McCreary				Kilburn Fork	
McCreary				Laural Fork	
McCreary				Indian Creek	
McCreary				Marsh Creek	
McCreary				Caddell Branch	
McCreary				Seng Branch	
McCreary				Poplar Creek	
McCreary	Mammal	Indiana Bat	Endangered		
McCreary	Mussel	Cumberland Bean	Endangered	Forth and Fifth Order Streams within the Big South Fork of the Cumberland River Watershed	
McCreary		Cumberland Combshell	Endangered	Big South Fork River and Forth and Fifth Order Streams within the Big South Fork of the Cumberland River Watershed	
McCreary		Cumberland Combshell	Critical Habitat	Critical Habitat designation in 2004: Big South Fork Cumberland River, McCreary County, KY (27 RM in KY and TN) (69 Federal Register 53136-53180, Aug. 2004).	
McCreary	Mussel	Cumberland Elktoe	Endangered	Third Order and Larger Streams within the Following Watersheds:	
McCreary				Big South Fork of Cumberland River	
McCreary				Rock Creek	

*Denotes older record, species may be extirpated but surveys can be inconclusive.
